Prioritize Foundational Literacy Skills Development for K–5 Learners

COMPLIMENTARY WEBINAR
Tuesday, February 22
11:00 am – 12:00 pm ET / 10:00 am – 11:00 am CT

Learn best practices for measuring and monitoring literacy skills development, as well as accelerating reading achievement and proficiency.

- Identify key foundational and grade-level skills students are ready to learn
- Focus instruction and practice on developing the most critical skills
- Target reading practice at the right level for each student
- Align curriculum and instruction with Science of Reading research
- Guide growth to proficiency with Renaissance literacy solutions
